

 **Unit 2 | Angel Wharf | London** WDL010/208090

**Project type:** Interior Design & Project Management

**Value:** £125k

**Involvement:** Interior Design  
Project Management  
Client Representation  
Furniture Specification & Procurement

**What we did**

Workplace Designs was nominated to provide Interior Design, project management and FF&E specification and procurement services with the aim of implementing the full refurbishment of an office space in Angel Wharf.

The design team developed an attractive yet functional design concept with creative FF&E solutions to meet the Client’s requirements.

The project implementation and FF&E installation was effectively managed by WDL project management team to deliver a timely and successful completion.
