

**Princes Mead Shopping Centre | Farnborough** WDL 112/216297

**Project type:** Measured Surveys

**Value:** £13,800k

**Involvement:** Measured Surveys  
Calculating GIA & NIA

**What we did**

This project involved survey an entire shopping centre including 2 annex buildings, with over 50 retails Unit and a sunken food court, with a total NIA of 125,000 square feet.

An accurate framework to the buildings was captured using a Total Station including all mall areas.

Some work took place outside of working hours so as to minimise disruption to shoppers and tenants.

Overall GA plans and Lease Plans for all units were issued on
