Project type: Project Management, FF&E Specification & Procurement

Value: £1.2m

Involvement: Project Management
FF&E Specification & Procurement
FF&E Installation

What we did

Workplace Designs were appointed as the client design representative and to develop the furniture scheme as a Solutions Consultant alongside the appointed architect.

WDL managed furniture procurement from 15 different client selected suppliers and delivered the requirement for substantially less than the budgeted market prices.

Logistics management to phase installation over 7 weeks, also the re-location of 650 staff, implementation of FM services, and fixtures and fitting such as signage & equipment.
